FUN FACT: Bananas are a type of berry

FUN FACT: Avocados are a fruit

POTATO

FUN FACT:

Potatoes are high in potassium to give you strong muscles.

Tip: Don't fry them.

FUN FACT:

Blueberries aren't berries at all, just individual pieces of fruits that grew together, like your brothers and sisters.

FUN FACT:

Kiwis contain twice as much vitamin C as an orange.
Vitamin C helps boost your immune system.

FUN FACT:

Tiny carrots aren't babies, they're just cut from full grown sweeter and thinner carrots.
