

What should I know about being an Herbalife Nutrition Member?

How can I participate?

As an Herbalife Nutrition Member, you may:

- Buy Herbalife Nutrition products at a discount for your own or household use.
- Participate in the business opportunity by selling Herbalife Nutrition products to make a retail profit.
- Participate in the business opportunity by recruiting others who want to consume or sell Herbalife Nutrition products.

The majority of Members join only to receive a discount on Herbalife Nutrition products and do not participate in the business. In 2021, as a result, the typical Member did not receive earnings from Herbalife Nutrition.

What should I know about the business opportunity?

- There are no required purchases other than the initial Membership kit also known as the Herbalife Nutrition Member Pack (ISK 5,191.00).
- Members enjoy setting their own schedule and choosing how and when to work.
- Most people start their Herbalife Nutrition business by working part-time and selling to people they know or people they meet as a way to make a little extra money.
- There are no guarantees that you will earn money. Like all business people, some Members will succeed, while some will not.
- Building a successful Herbalife Nutrition business takes skill, hard work, and time.

How can I earn money?

You can earn money by selling Herbalife Nutrition products that you buy at a discount. Your initial discount is approximately 25% of Earn Base*. The more you sell, the higher your discount, up to a maximum of 50% of Earn Base*. For example, the initial discount on Formula 1, Herbalife Nutrition's best-selling product is shown on the right:

	Suggested Retail Price	ISK 8,245.00
	Member Price <i>(with initial discount before shipping and taxes)</i>	ISK 6,422.50
	Potential profit	ISK 1,822.50

- If you buy at this initial discount and sell 10 canisters at the Suggested Retail Price, passing along shipping and taxes, you would make ISK 18,225.00 before expenses.
- You can also earn money from the sales of people you sponsor.
- You **cannot** earn money by only recruiting or only sponsoring someone.

In addition to retail earnings, how much could I earn from sales by Members I sponsor?

In 2021, there were 1,958 Members who had been Members for at least 1 (one) full year. In addition to any retail profit, 17% or 329 of them earned commissions or bonuses from the sales of Members that they sponsored. Here is what they earned, before expenses:

Members 1 Year + (329)
50% (about 165) earned more than ISK 41,762
Top 10% (about 33) earned more than ISK 466,959
