

What should I know about being an Herbalife Nutrition Independent Associate?

How can I participate?

As an Herbalife Nutrition Independent Associate, you may:

- Buy Herbalife Nutrition products at a discount for your household use.
- Participate in the business opportunity by selling Herbalife Nutrition products to make a retail profit.
- Participate in the business opportunity by recruiting others who want to consume or sell Herbalife Nutrition products.

If your only purpose in joining Herbalife Nutrition is to receive a discount on the products, you should discuss with your sponsor whether the Preferred Customer program is right for you. A Preferred Customer cannot sell products, recruit others or earn multi-level compensation, but does receive a discount on the products. A Preferred Customer may convert to Distributor and build a business at any time by following the conversion process and purchasing a Conversion Pack.

What should I know about the business opportunity?

- There are no required purchases other than the initial Associateship kit also known as the Herbalife Nutrition Independent Associates Pack (KZT 12,777.00).
- Independent Associates enjoy setting their own schedule and choosing how and when to work.
- Most people start their Herbalife Nutrition business by working part-time and selling to people they know or people they meet as a way to make a little extra money.
- There are no guarantees that you will earn money. Like all business people, some Independent Associates will succeed, while some will not.
- Building a successful Herbalife Nutrition business takes skill, hard work, and time.

How can I earn money?

You can earn money by selling Herbalife Nutrition products that you buy at a discount. Your initial discount is approximately 25% of Earn Base*. The more you sell, the higher your discount, up to a maximum of 50% of Earn Base*. For example, the initial discount on Formula 1, Herbalife Nutrition's best-selling product is shown on the right:

	Suggested Retail Price	KZT 12,009.00
	Independent Associate Price <i>(with initial discount before shipping and taxes)</i>	KZT 9,297.25
	Potential profit	KZT 2,711.75

- If you buy at this initial discount and sell 10 canisters at the Suggested Retail Price, passing along shipping and taxes, you would make KZT 27,117.50 before expenses.
- You can also earn money from the sales of people you sponsor.
- You **cannot** earn money by only recruiting or only sponsoring someone.
