

What Should I Know About Being an Herbalife Nutrition Independent Distributor?

How can I participate?

As an Herbalife Nutrition Distributor, you can participate in three ways:

- You can buy Herbalife Nutrition products at a discount for your own or household use
- You can sell Herbalife Nutrition products to make a Retail Profit
- You can recruit others who want to consume or sell Herbalife Nutrition products

If your only purpose in joining Herbalife Nutrition is to receive a discount on the products, you should discuss with your sponsor whether the Preferred Member program is right for you at a cost of \$34.95. A Preferred Member cannot sell products, recruit other or earn multi-level compensation, but does receive a discount on the products. A Preferred Member may convert to Distributor and build a business at any time by following the conversion process and purchasing a Conversion Pack for \$59.95 and completing the Required Distributor Training.

What should I know about the business opportunity?

- There are no required purchases other than the initial Distributorship kit also known as the International Business Pack (\$94.10) or International Business Pack – Super Starter (\$124.10)
- Distributors enjoy setting their own schedule and choosing how and when to work
- Most people start their Herbalife Nutrition business by working part-time and selling to people they know or people they meet as a way to make a little extra money
- There are no guarantees that you will earn money. Like all business people, some Distributors will succeed, while some will not.
- Building a successful Herbalife Nutrition business takes skill, hard work, and time

How can I earn money?

You can earn money by selling Herbalife Nutrition products that you buy at a discount. Your initial discount is approximately 25%. The more you sell, the higher your discount, up to a maximum of approximately 50%. For example, the initial discount on Formula 1, Herbalife Nutrition's best-selling product, is shown on the right:

Suggested Retail price \$50.90
Distributor price - \$38.81

(with initial discount and before shipping and tax)

Potential profit **\$12.09**

- If you buy at this initial discount and sell 10 canisters at the Suggested Retail Price, passing along shipping and taxes, you would make \$120.90 before expenses
- You can also earn money from the sales of people you sponsor
- You **cannot** earn money by only recruiting or only sponsoring other Distributors
